Alternate Members present:

Others Present: Jason Cook, Sam Fleege, Ron Erickson, and Todd Malone.

Others Present via Zoom: Dave Kaun, Mike Day, Mark Copeland, and John Thompson.

Chair Hart called the meeting to order at 2:05 P.M.

Roll call was completed.

Moved by Jeff Snyder, seconded by Tracey Sanders, approval of the Minutes of the May 26, 2021, QC P25 Intergovernmental Advisory Group. All ayes.

Fleet mapping is complete up to this point. Sam Fleege is aware of some changes and will work on getting those completed. Discussion was held reference Canadian Pacific and their radio use. Advised would only need access to a few channels and would not need their own at this time.

Discussion was had about the RACOM Maintenance System Agreement. SECC will be approving their agreement at the June SECC Board meeting. The Illinois side has signed their agreement as their agreement was approved at their previous meeting.

SECC updated the group about their plan for system access fees. Advised taking it to the SECC Board for their next regularly scheduled meeting. Will update the advisory group at the next regularly scheduled meeting.

Discussed that Eagle View has received quotes but nothing further at this time. RACOM will follow up.

Discussed that further testing will happen at buildings once system goes online.

A brief update on tower construction was given by both states.
